We want as many people to be trained in mediation as possible. We record some key demographics to make sure the entire community is connected with us and reflected on our team. If you'd like, you can wait to respond to these questions, and other demographic info on our volunteer data form, until after your training has begun. For more info on why mediator demographics matter, visit: <https://mdmediation.org/wp-content/uploads/2020/12/Does-it-Matter-if-My-Mediator-Looks-Like-Me.pdf>

What has drawn you to become a community mediator? (What interests you? How did you hear about us?)

What skills/ characteristics do you think make a good mediator? How comfortable do you feel with exercising these skills?

1. _____

3. _____

What times are you available to mediate? (Circle time blocks that work for you. Please remember you need approx. 3 hours per session, plus travel time).

All mediators are sent every opportunity to sign up, regardless of availability listed here. This informs us of the general availability you would have in a typical week. It does not limit or oblige you to a schedule.
